What is MSP Program?

Microsoft Student Partner's Program

How to prepare your MSP application

All applying students must

- Be at least 16 years old at the time of submission
- Be enrolled full-time in an accredited academic institution (e.g. College, University)
- Some experience in technology is helpful, but not mandatory

Boost your career in tech, learn and lead
while empowering those around you

How to apply?

- Go to:
<https://studentpartners.microsoft.com/>
- Click on **Apply Now**
- Sign in with your MS Account
- Read and agree with Privacy and Terms
- Fill out the application form

Privacy and Terms

Thank you for your interest in the Microsoft Student Partners (MSP) Program. If you would like to become a Student Partner, please fill out this application with valid information. Please note, not all students who apply will be accepted into the program. If you have any questions about the MSP program, please contact mcp_help@microsoft.com.

All applying students must:

- Be at least 16 years old at the time of submission.
- Be enrolled full-time in an accredited academic institution (e.g. College, University).
- Have valid identification.

Your information is subject to the [Microsoft Privacy Statement](#). When you submit this application, your information will be shared with the Microsoft program lead who manages MSP selection in your region. They may ask for additional information to evaluate your suitability for the program. If your application is not accepted, all the information you provided will be removed from our servers within twelve months of the application submission date. If you would like to request removal of your application data at any time, please send your request to mcp_help@microsoft.com.

By completing this application, you agree to Microsoft Privacy Statement and confirm your eligibility for the MSP program.

☒ I agree and wish to continue

Application Notifications

- Applications received after July 31, 2019 will be considered for admission in the 2019-2020 program with a start date of January 2020. Selected candidates will be notified by email approximately one week before the respective start date.
- U.S. F-1 students should check with the Designated School Official at the International Student Office of their school for their own personal immigration legal counsel to see if participation in this Program would constitute a violation of their F-1 status. A violation may not only impact a student's ability to continue with their F-1 studies, but may also affect a student's eligibility for future U.S. immigration options.
- The application will be automatically closed, you will receive an email and come back later to continue your application.

Recommendations

- Take the time to think your answers well
- Be honest, be yourself
- Show your passion for:
 - technology | teaching | sharing |
 - networking | empowering | writing ...
- It is helpful to support your answers with concise examples
- Unleash your creativity
- Ask yourself:
 - Why do you want to be MSP?
 - What would you do being MSP?
 - How would you do it?

Next group of Student Partners
will be announced in July 2020
(applications are due May 31st,
2020)
